EQUIPMENT**

THE PREFERRED PARTNER FOR DISPENSING SOLUTIONS

At Hovicon International B.V. we meet our customers' challenges with innovative and hygienic dispensing solutions that protect the integrity of their product and promote their brand. We use our knowledge, expertise and entrepreneurial spirit to provide our customers with safe, hygienic and efficient dispensing solutions while promoting their brand through distinctive design and optimal handling.

EUROPEAN PRODUCTION BY HOVICON INTERNATIONAL

With over 50 years of experience, Hovicon developed into the go-to specialist in dosing equipment for the food- and chemical industry. We offer a wide variety of products in our standard assortment, but we also develop dispensers together with our customers that fit their specific needs. What do you think of our sauce dispensers especially for sauce with particles (up to approx. 1 cm) or a complete dressing bar? This way, you can design your catering facility completely according to your wishes.
